Dear Sir/Madam,

We are happy to inform you that Spoken Tutorial Project, IIT Mumbai is conducting workshop on spreading IT literacy to school students across India in association with MHRD.

Our college has been identified as the Resource Center to train the Teachers Programme. The content and training will be offered free of cost to your school teachers.

“Spoken Tutorial” provides software skills training in an easy to learn step-by-step manner. On completion of training, two of your identified teachers will spread awareness to your school students Via – dedicated lab hours.

Training certificate and lunch will be provided for participants. We request you to depute two Comp. Science teachers (Preferably High school section) as participants.

Thanking you,

With regards

Prof. Pallavi

Principal
